TO : All School Heads of Public Elementary Schools, All SDO Personnel  
All Others Concerned

FROM : Office of the Schools Division Superintendent

SUBJECT : Distributions of Milo PE Kits

DATE : February 3, 2021

**PARTICULARS**

1. For over half a century, MILO has been providing generations of Filipino families with its nutritious cup of energy-giving nutrients in fueling their days ahead. Beyond this commitment, MILO has also become a strong advocate of grassroots sports development in the country together with its key partners: the Department of Education (DepEd), Philippine Sports Commission (PSC), and the Philippine Olympic Committee (POC). MILO believe that sports play a critical role to nation building. Through sports, children learn difficult character forming values such as discipline, confidence, honesty, respect, and teamwork. These same values can help them prepare in facing future challenges in life and pursuing their dreams and ambitions. Proper nutrition is also important to ensure they have the winning energy to fuel their pursuit to being the best they can be.
2. With regards to this, all Grades 1-6 pupils from all public elementary schools will be given a MILO PE Kit. The number of your enrollment as of February 3, 2021 will be the basis of your recipients. It will be taken from the SDO SMME/SMN Office starting February 8, 2021 up to February 15, 2020 only. All Teachers, School Heads and SDO personnel will also have their share of the MILO PE Kit.
3. For documentation purposes, take pictures of your school with the School ID, the school head distributing the boxes of MILO PE Kits to the Teachers/Advisers, then the Teachers/Advisers giving these to the parents. The adviser will tell the parents to take pictures/videos (if possible) of their children placing the open kit below their neck showing the three sachets of MILO and stating their grade level. The learner may express/say thank you to MILO. The documents will be sent to SDO-SMME group chat.
4. For information and widest dissemination.
