Alaminos City Schools Division Office
Alaminos City, Pangasinan

Dear Dr. Bugayong:

In line with the program of the Department of Health which was directed by the President Ferdinand "Bongbong" Marcos, Jr. entitled "PinasLakas", we would like to ask for your support to encourage all eligible DepEd personnels, teaching and non teaching staff, and students 12 years old and above from all private and public schools to receive booster shots. Vaccines are available at the Plaza Enrique Braganza, Mondays to Fridays from 8AM to 3PM.

This initiative of the National Government aims to administer COVID-19 booster vaccines to at least 23 million people or 50 percent of the eligible population within the first 100 days of President Ferdinand Marcos Jr.'s administration.

We are fervent that this request would merit your most favorable action as we share the same vision of ensuring healthy communities.

Thank you and warm regards.

Very truly yours,

ARTH BRYAN C. CELESTE
