PHILIPPINE IDENTIFICATION SYSTEM

LORNA G. BUGAYONG, EdD, CESO VI
Schools Division Superintendent
Alaminos City Schools Division Office
Department of Education

Madam:

Greetings!

In line with the ongoing nationwide implementation of the Philippine Identification System (PhilSys), the Philippine Statistics Authority (PSA)-Based Fixed Registration Center personnel are conducting mobile registration activities in various cities and municipalities, as well as government and private institutions in the province, in order to encourage more Pangasinenses into registering for the National ID.

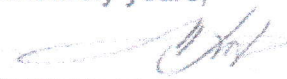

In anticipation with the looming resumption of face to face classes, we humbly seek your permission that a particular team may be allowed to operate on-site registration activities in various schools under your jurisdiction in order to accommodate unregistered faculties, employees and their family members and the students with the age group of 5 years old and above.

Further, we respectfully ask your assistance through the provision of a space/venue for registration and a vehicle to ferry the kits to be used by our personnel to and from the PSO Pangasinan during the first and last day of their operations, if possible.

Our hopes are high as we seek your most favorable response on this matter. Rest assured that your support for this national endeavor is highly appreciated.

Thank you so much and God speed!

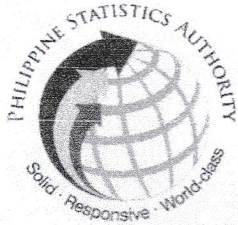

Sincerely yours,

CHRISTOPHER F. FLORES
