1. Physical Fitness identifies the current fitness levels of our learners. Results serve as your guide in planning sports activities to be participated in by our learners. Expectedly, all schools have already conducted this process.
2. In this regard, kindly advise your School Sports Coordinator to prepare a Plan for School Intramurals. This activity can be conducted from third week of October up to second week of November 2022. If possible, do it only in one day to avoid too much disruption of classes.
3. This in preparation for a higher meet to be carried in the days to come.
4. For your information, wide dissemination, guidance and compliance.
