City of San Fernando, La Union

Dear Sir,

Greetings from NBTC League!

National Basketball Training Center (NBTC) duly recognized by the SBP is a grassroots program whose main vision is to "Develop Skills, Builds Character and Raise Leaders" in young basketball players ages 16-19 years old. For the last fourteen (14) years, NBTC has paved the way for these young aspiring athletes to reach their dream of playing for the national teams and eventually in the top collegiate and professional leagues both here and abroad. But more than the chance to play in the higher level of competition, they have the opportunity to pursue their education and get a degree.

Ever since the program started, it has grown from three (3) cities to one hundred (120) cities in 2019. The League has also expanded and now has started the Global games in the different countries in the world. We have NBTC in the following countries- *USA, Canada, Australia, New Zealand, Middle East and Europe.*

After a successful restart last season, we are excited to announce that NBTC will open its 14th Season this year. The season will start with the "Local Qualifiers" where each city will hold its own tournament starting *October-December 2023*. The "Local Qualifier Champions" will play in the "Regionals" in *January next year*. A total of 64 city teams will play in 4 Regional Championships (N. Luzon, S. Luzon, Visayas and Mindanao) and only 16 city teams will qualify for the **National Finals** in *March 2024*.

In this regard, we would like to renew our collaboration and invite your Region once again to participate in the Local Qualifying Tournaments that will be held in the different areas and provinces of your region, and the Regional Finals (Laoag City I.N.) and the National Finals at MOA Arena, Pasay City. Region has been actively participating in the NBTC for the past 11 years, and we are proud to have contributed to the development and enrichment learnings of your players and your teacher-coaches/trainers through the yearly conduct of the NBTC COACHES CONVENTION in Manila.

Further, it's requested that your office will endorse this noble program through an ADVISORY as it is usually done in the previous years. Looking forward to your region-school's active participation in this 14th Edition of the NBTC.

Thank you very much and may God bless you.

Sincerely,

Coach ERIC G. ALTAMIRANO
